Owen Casey joined The Frieden Agency in June of 2012. Since then, clients have chosen to collaborate with him because of his caring personality and strong work ethic. Owen takes an immense amount of pride in helping his clients to reach their financial goals.

Owen graduated from Cox High School in 2005. In 2016, Owen married his beautiful high school sweetheart, Lauren. As lifelong Virginia Beach residents, Owen and Lauren love spending time at the beach with their families. When he's not working, he stays busy by surfing and taking his two dogs, Bailey and Brewtus, to the Chesapeake Bay.

As an active member of the community, Owen supports many charitable organizations such as the ALS JT Walk, Alzheimer's Association, and breast cancer awareness organizations.
