Ron Spindel has been in the insurance business since 1975, when The Spindel Agency became a part of The Frieden Agency. Since then, The Spindel Agency has become an integral part of the Agency as a whole, serving over 100 employee benefit plans. As owner of The Spindel Agency, Ron has made it his mission to bring quality insurance products to his clients in order to help them achieve their financial goals. While The Spindel Agency offers a wide variety of financial products and services, Ron's main focus is on insurance and employee benefits. He is dedicated to helping businesses manage employee benefit programs and compliance issues related to the Affordable Care Act.

Ron is a qualifying and life member of the Million Dollar Round Table, an international association of financial representatives made up of 60 countries worldwide. Ron has five Top of the Table qualifications and is currently a member of the Court of the Table. He is also a member of John Hancock's Hall of Fame. In addition to his involvement with many business organizations, Ron is also very active in his community. He is a current board member of the United Jewish Federation of Tidewater, a past board member of Beth Shalom Home and the Tidewater Jewish Foundation, and a past president of the Hampton Roads Youth Center.

Ron is a lifelong resident of the Hampton Roads area. He currently resides in Virginia Beach, Virginia with his lovely wife, Linda. The two of them love nothing more than spending time with their son, daughter-in-law and two wonderful grandchildren who currently reside in Atlanta, Georgia. Outside of the office, you can usually find Ron enjoying his spare time on the water with a fishing rod in hand.

*Our mission is to value your **Goals** and protect your **Needs** through our professional **Guidance**.*
